

# Certificates from European wind energy

## Issued to: Fletco Carpets A/S

This document proves that Ørsted purchases and redeems certificates from 01-01-2021 to 31-12-2022 corresponding to Fletco Carpets A/S' expected electricity consumption of 2.613.095 kWh.

With the purchase of European wind certificates, Fletco Carpets A/S achieves carbon neutral electricity consumption and supports the green transformation.

A handwritten signature in black ink, appearing to read 'Rune Sonne Bundgaard-Jørgensen'.
